Serenity is pleased to provide you with our own personal Wedding Planner. She will set aside time exclusively for you to consult the bridal arrangements you are interested in reserving. After the consultation, our Wedding Planner will handle all the scheduling and details. She will also be available to answer any questions or handle any concerns you may have along the way. Then as your big day arrives, you will join us at Serenity for a smooth, relaxing experience that is sure to be a wonderful start to your most memorable day.

A complimentary consultation is required to help plan your bridal experience at Serenity. We require that all scheduling be completed at least six weeks prior to your wedding day. Therefore a consultation needs to be reserved shortly before that six week time period.
